

International Scientific and Technical University was established in 1992 in Kyiv. It has become one of the leading private universities in Ukraine.

ISTU is:

Multidisciplinary University;

30 years of history and over 40,000 graduates;

More than 5 thousand currently studying students at all educational levels;

Qualified team: more than 200 members of scientific and pedagogical staff; 35 professors; 120 PhDs;

6 faculties.

The mission of the University is:

- to provide high-quality higher education to promote sustainable development of society by training a competitive workforce and creating better conditions for lifelong learning.

Regional structural subdivisions

- Poltava Institute of Business (PIB)
- Donbass Institute of Technology and Management (DITM)
- Chernihiv Institute of Information, Business and Law (CIIBL)
- Lutsk Biotechnical Institute (LBI)
- Professional College of ISTU (Kyiv)

Our projects

ISTU participated in the following EU and international projects:

- Unlocking the Transformative potential of Ukrainian Universities towards climate-neutral and sustainable cities (Erasmus+, 2023-2026);
- Knowledge Transfer Unit (Tempus, 2013-2017);
- WARN: Academic respond to hybrid threats (Erasmus+, 2019-2023);
- The “Strategize4Uni”: aims to develop an international strategy and increase students’ and academic staff’ awareness of internationalisation, international academic mobility programs, competitions, and research projects. The “Strategize4Uni” project includes fostering global engagement, developing an internationalisation strategy, raising awareness, providing training, and enabling networking.
