PROJECT

ALLIANCE ADVANCEMENT AT THE UNIVERSITY: EMPOWERING INTERNATIONAL PARTNERSHIP

WHAT FOR?

To advance the university's effective participation in European university alliances

HOW?

Through the knowledge check, and data analysis, the project seeks to identify gaps and misconceptions among academia regarding alliance offerings. It will then develop comprehensive guidelines for the IRO, informed by stakeholder insights, to effectively communicate alliances' opportunities, including educational and research initiatives.

WHAT TO GET?

- snapshot of academia knowledge and readiness
- guidelines for the IRO
