

You want to apply for a study place at LUH but do not know how?

Let's walk you through it!

The first step is to go to our website: <https://www.uni-hannover.de/en/studium/vor-dem-studium/bewerbung-und-zulassung/studienplatzbewerbung/master-application-for-prospective-students-from-outside-the-eu/>

There you can find a lot of information about our application process and also further links to details such as language or other special requirements. Please note that application periods may differ. The deadline depends on the programme you choose to study. Please find the different application periods here: https://www.uni-hannover.de/fileadmin/Studienberatung/Neu_ab_Relaunch/02_Studium_Vor_dem_Studium/02_Bewerbung_und_Zulassung/02_Studienplatzbewerbung/03_MA-Bewerbung_D_EU/Master_Bewerbungsfriste-alleSem-engl.pdf

Have you read everything?

Good! So let's start with the application.

Start the application form by clicking on the link to the application portal.

Online application portal for Master's programmes

[Link to the application portal ↗](#)

Note: differing application deadlines

It is no longer possible to apply for some master's programmes, as they had a previous application period (**15th April - 31st May**).

1. Introduction

Now you have entered the online portal for our applicants. You will need to fill out this form in order to get your data into our system. Please take your time for this and make sure you type in the right data.

Please answer the questions from page one (introduction) to page thirteen (complete application).

On the first page, you'll find some information on how to fill out the application form. Read the information stated there and confirm you've read them by clicking "Yes" in the dropdown-field and continue.

Introduction

Dear Prospective Student,

On the following pages you are requested to enter the data required by Leibniz Universität Hannover with regard to your application for master degree programmes.

You can find a checklist for the application procedure within the deadline from July, 15 [here](#). In case you need help filling out the online form, please use our [step by step instructions PDF](#). For your navigation within the online form, please only use the navigation elements below.

The applicant number of your application may be gathered from the last page of the online form, it is the **RED number!**

Here you can find an application form as well as a list of the required documents, you need to upload by the end via a link that is created specifically for each programme.

Concluding remarks

Complete and accurate information and affidavit

- Based on my above information which is complete and truthful, I hereby apply for the admission to study.
- I hereby declare under penalty of perjury that I have neither concealed any periods of study nor degrees obtained at German universities.

I am aware,

- that any false, feigned or concealed information provided, when discovered later, can possibly lead to de-registration,
- that the re-registration to the study must take place each semester no later than the deadline fixed for that purpose, by payment of the applicable semester fees, otherwise the enrolment may be terminated.

I am aware that any false information may result in revocation of the enrolment.

Observe strictly

- Your application will **only be considered**, if you have filled in your data online **AND** uploaded your application documents as **one PDF file** within the given application deadline (15th July 2020, 11:59 PM).
- You can download the application form from the following page as a PDF. On the second page of it, you will find a list of the documents needed for the application.

By sending the data, I hereby agree to the facts mentioned above. I hereby confirm having read and taken notice of the above information. Yes

Here you can check your application status using your application number as the username and your token as the password.

You can also find the application form in the portal if you should have misplaced it earlier.

13.7 Remain patient. Admission and rejection letters will be sent out in August to September at the latest. Additionally you will be able to find online admission letters in the application portal when the letters have been sent out.

Notification

The approval and rejection letters can be sent only after the meetings of the admission committees. Expediting this process is not possible. We kindly ask for your understanding. The shipping for **summer-semester applications** may run from February to March and from August to September for **applications for the winter-semester**.

Only for EU-applicants: In the letter of acceptance a deadline is specified for confirmation that the place at university is assumed.

The current processing status can be queried in the online directory of institutions and names [online directory of institutions and names](#) ^{en} if you log in with the following data:

User name: Your application number

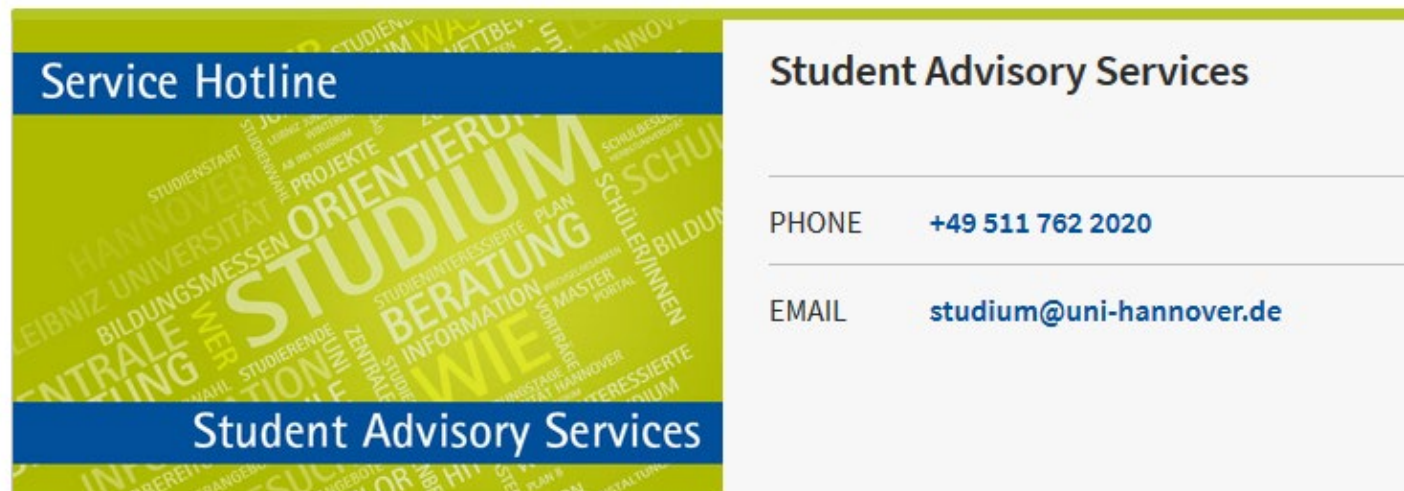

Password: Token, on the document in PDF (just underneath your application number)

You will also find this information in the confirmation e-mail which will be sent shortly by Leibniz Universität Hannover to the e-mail address you provided.

YOU DID IT!

Congratulations! We wish you good luck with your application.

If you have any further questions or encounter technical problems, please feel free to contact the student advisory services via telephone or e-mail.
